- Shock and vibration resistant³
- Tested to withstand extreme temperatures³
- Cool, quiet operation
- Available in 240GB, 250GB, 480GB, 500GB and 1TB* drive capacities
- 3-year warranty⁴

The SanDisk Extreme® 500 portable SSD is less than half the size of your smartphone and delivers up to 4x the speed of a portable hard drive¹. Get to work in seconds, transfer big videos and photo libraries at up to 415MB/s** (240GB, 250GB), up to 430MB/s (480GB, 500GB) and up to 440MB/s (1TB)—a speed that portable hard drives can only dream about. Designed for durability and style, this drive is amazingly compact and has no moving parts to break. Solid state technology offers reliable, responsive, high-performance storage for photographers and videographers who capture and carry lots of big media files. When you care about your day's work, it pays to make the SanDisk Extreme 500 your portable storage drive.
