Product Name	G.SKILL Ripjaws V Series DDR4 2400MHz 16GB(8GBx2) Memory Kit
Model Number	F4-2400C15D-16GVR
EAN Code	4719692003195
UPC Code	0848354013198
SKU Live Date	-

Overview

G.SKILL Ripjaws V series high performance memory is built with the newest DDR4 standard in a sleek, redesigned heat spreader that's ideal for powerful gaming rigs, professional workstations, or daily computing tasks. Tested under G.SKILL's extensive suite of testing software to ensure maximum performance and stability, Ripjaws V memory kits are the ideal choice for your new DDR4 system.

Features

- Extreme performance DDR4 memory designed for gaming and PC enthusiasts
- Optimized compatibility with DDR4-compatible Intel® Core™ platforms
- Sleek and stylish aluminum heat spreader design
- 1.2V ultra low voltage
- Intel XMP 2.0 support

Ripjaws V Series
Extreme Performance DDR4 Memory

Technical Specification

Memory Type	DDR4	Tested Speed	2400MHz (PC4-19200)
Registered/Unbuffer	Unbuffered	Tested Latency	15-15-15-35
Module Type	DIMM	Tested Voltage	1.2V
Error Checking	Non-ECC	SPD Speed	2133MHz (PC4-17000)
Capacity	16GB(8GBx2)	SPD Latency	15-15-15-35
Multi-Channel Kit	Dual Channel	SPD Voltage	1.2V
Pin Count	288	XMP Support	Intel XMP 2.0
Fan Included	No	Profile 1	2400-15-15-15-35-1.2V
Warranty	Limited Lifetime	Profile 2	-

Compatibility

Chipset*	Intel Z170 Platform / Intel X99 Platform
CPU*	Skylake (LGA 1151) / Haswell-E (LGA 2011-3)

Shipping

Module Height	42mm / 1.65in	Product Dimension	8.5 x 5.5 x 0.62in
Module Weight	39g	Product Weight	120g / 0.26lbs
Country of Origin	Taiwan
